*To the Editor*—Please be advised that a typographic error was discovered in the article titled “The Past, Present, and Future of Oral Dosage Forms for Children,” published in the *Journal of Pediatric Pharmacology and Therapeutics* 2024;29(1):22–31.

The noted error occurs in the Figure 5 heading and reads “IQ-dose Mini-tablet Dispenser. Patent holder: SGH Healthcaring with permission.” SGH Healthcaring has changed its name to “SGH Medical Pharma.” The corrected Figure heading should read “IQ-dose Mini-tablet Dispenser. Patent holder: SGH Medical Pharma.”

Correspondence for this erratum may be forwarded to my attention at the address shown below. I certify that this amended Figure 5 heading is correct and that I am not aware of any other errors in the article. Thank you for your consideration.
